ASX CODE: COY

**COPPERMOLY LIMITED COMMENCES TRADING ON THE  
PORT MORESBY (PNG) STOCK EXCHANGE**

Coppermoly Limited (ASX Code: COY) is pleased to announce that it will commence trading on the Port Moresby Stock Exchange Limited ("POMSoX") tomorrow December 9, 2008.

Coppermoly recently applied for a compliance listing of its securities on the POMSoX, with the aim of building a local shareholder base in the Company's country of focus. This will also give Papua New Guinea investors an opportunity to trade the Company's securities on a local stock exchange.

The Company's securities will trade under the same codes as for the Australian Securities Exchange Ltd (ASX) (Shares: COY).

The POMSoX commenced trading in 1999 and is closely aligned to the Australian Securities Exchange, being licensed by the ASX to utilise the latter's Business and Listing Rules. POMSoX procedures are a mirror image of the ASX and further information is available at [www.pomsox.com.pg](http://www.pomsox.com.pg).

Other PNG focused resource companies listed on POMSoX include Oil Search Limited, Lihir Gold Ltd, Highlands Pacific Limited and Marengo Mining Limited.

The Company has appointed PNG Registries Limited of Port Moresby to maintain its PNG register.

A handwritten signature in black ink, appearing to read "Maurice Gannon", is positioned above the typed name and title.
