VOTING METHODS

You may vote by either attending the meeting in person or by proxy.

An instrument appointing a proxy must be in writing under the hand of the appointer or of the appointer's attorney duly authorised in writing or if the appointer is a corporation under its common seal or the hand of its duly authorised attorney.

Where more than one proxy is appointed each proxy must be appointed to represent a specified proportion of the Shareholders' voting rights and neither proxy may vote on a show of hands.

Any corporation which is a Shareholder may, by a resolution of its director(s), authorise any person it thinks fit to act as its representative at the AGM. That person acting in accordance with that authority until it is revoked by the corporation is entitled to exercise the same powers on behalf of that corporation as that corporation could exercise if it were a natural person who is a Shareholder.

EXPLANATORY NOTES

Voting Exclusion Statement

In accordance with the ASX Listing Rules, the Company will disregard any votes cast by the following persons in respect of the noted Resolutions:

- **Resolution 1**

In accordance with section 250R of the Act a vote on Resolution 1 must not be cast (in any capacity) by or on behalf of:

- (a) A member of the Key Management Personnel whose remuneration details are included in the Remuneration Report; or
- (b) A Closely Related Party of such member.

However, a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described in subparagraphs (a) and (b) above and either:

- (c) The person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolution 1; or
- (d) The person is the Chair of the meeting and the appointment of the Chair of the meeting as proxy:
 - (i) does not specify the way the proxy is to vote on Resolution 1; and
 - (ii) authorises the Chair of the meeting to exercise the proxy even if Resolution 1 is connected directly or indirectly with the remuneration of the Key Management Personnel.

- **Resolutions 5**

The Company will disregard any votes cast on Resolution 5 by Mr Michael Howard, and any of his Associates or a member of the Key Management Personnel, and any Closely Related Party. However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, or it is cast by the person chairing the General Meeting as a proxy for a person who is entitled to vote, in accordance with the direction on the proxy form to vote as the proxy decides.

Further, a vote must not be cast on Resolution 5 (and will be taken not to have been cast if cast contrary to this restriction) by a member of the

Key Management Personnel and any Closely Related Party of such a member acting as a proxy, if their appointment does not specify the way the proxy is to vote on this Resolution. However, a member or any Closely Related Party of such a member may vote when acting as proxy if the person is the Chair of the Meeting and the appointment expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

- **Resolution 6**

The Company will disregard any votes cast by a person, and any associate of that person, who may participate in the proposed issue and a person, including any associate of that person, who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, if the resolution is passed.

However, the Company need not disregard a vote if it is cast by the Chair the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

At the date of this notice the Company has not approached any existing security holders in relation to the proposed 10% Additional Placement Capacity. Accordingly, no existing shareholder will be excluded from voting under the voting exclusion statement.

Financial Report

The Act requires that the financial report be presented to the AGM. In addition, the Company's Constitution provides for such reports and statements to be received and considered at the AGM.

Apart from the matter involving the Remuneration Report, which is required to be voted upon, neither the Act nor the Company's Constitution requires a vote of Shareholders at the AGM on the financial report of the Company. Shareholders will be given ample opportunity to raise questions with respect to the financial report at the meeting.

RESOLUTION 1: Remuneration Report

The Remuneration Report is set out on pages 11 to 15 in Coppermoly Limited's 2015 Annual Report which is also available on the Company's website at www.coppermoly.com.au.

The Chair of the meeting will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the Remuneration Report at the meeting.

The Chair of the meeting intends to vote undirected proxies in favour of Resolution 1 (Remuneration Report). Any undirected proxies held by Directors, (except the Chair of the meeting) or other Key Management Personnel or any of their Closely Related Parties will not be voted on Resolution 1 (Remuneration Report). If you choose to appoint a proxy you are encouraged to direct your proxy how to vote on Resolution 1 (Remuneration Report) by marking either **"For"**, **"Against"** or **"Abstain"** on the proxy form for that item of business.

The Remuneration Report identifies Coppermoly Key Management Personnel for the financial year to 30 June 2015. Their Closely Related Parties are defined in the Act and include certain of their family members, dependents and companies they control.

The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

Notes:

- The cash salaries and fees paid to Directors are modest and at or below industry levels.
- Each Director in office at 30 June 2015 had their directors' fees accrued in the accounts but not paid since the latter of July 2014 or their date of appointment. This is an initiative of the Directors to aid the Company's cash flows.
- The Company plans to pay accrued directors' fees in an orderly manner once it has sufficient funds.
- There have been no options issued to Directors since November 2010. All options previously issued to Directors have now expired.

The Act requires ASX-listed companies to put an annual, non-binding resolution to Shareholders to adopt the Remuneration Report. In line with the legislation this vote will be advisory only and does not bind the Directors or the Company. If 25% or more votes that are cast on Resolution 1 are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at that second annual general meeting on an additional resolution on whether another meeting should be held at which all of the Company's Directors, other than the Managing Director, must stand for re-election. The corresponding vote at the 2014 AGM recorded less than 25% against the adoption of the 2014 Remuneration Report.

The Board recommends Shareholders vote in favour of Resolution 1. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 1. Key Management Personnel and their closely related parties are prohibited from voting on Resolution 1.

RESOLUTION 2: Re-election of Director – Mr Kevin Grice

Article 16.1 of the Constitution requires one third, or at least one, of the Directors retire at the AGM (excluding the managing director and any Director appointed to fill a casual vacancy who is yet to be ratified by a general meeting).

As Mr Yao's and Dr Huang's appointments to the board of the Company are yet to be ratified, Mr Kevin Grice must retire as director of the Company at this AGM. Mr Grice will resign and, being eligible, seek re-election.

Mr Grice, BComm CPA MAICD, is a successful finance executive with significant experience with listed and unlisted exploration companies and general management experience, including as acting Chief Executive and Chief Financial Officer of Renison Consolidated Mines NL (now Laneway Resources Ltd), Chief Financial Officer of ASX Listed Highlands Pacific Limited and various other roles with Ensham Resources, Century Gold Resources Pty Ltd and others.

The Directors (other than Mr Grice) unanimously recommend that Shareholders vote in favour of Resolution 2. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 2.

**RESOLUTION 3: Election of Director –
Mr Jincheng Yao**

Article 15.4 of the Constitution allows the Board to appoint at any time a person to be a Director but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

In accordance with Article 15.4 of the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following AGM and is then eligible for election.

Mr Yao was appointed as a Director on 5 March 2015 and in accordance with the Constitution and the ASX Listing Rules, is now seeking election.

Mr Yao, MBA and Bachelor of Commerce, is a finance professional based in mainland China. He has held various senior executive roles in the Meijin Group and is currently Vice President and Director of Meijin Energy Group Limited. Mr Yao has experience across many aspects of mining and industry in both China and Australia.

The Directors (other than Mr Yao) unanimously recommend that Shareholders vote in favour of Resolution 3. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 3.

**RESOLUTION 4: Election of Director –
Dr Wanfu Huang**

Article 15.4 of the Constitution allows the Board to appoint at any time a person to be a Director but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

In accordance with Article 15.4 of the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election.

Dr Huang was appointed as a Director on 11 March 2015 and in accordance with the Constitution and the ASX Listing Rules, is now seeking election.

Dr Huang is a member of the Australian Institute of Geoscientists and holds a PhD, a MSc and a BSc. Dr Huang has more than 20 years' experience in the exploration industry. He has held numerous positions in the industry, covering base metals, gold, iron ore, coal and bauxite in Australia and overseas.

The Directors (other than Dr Huang) unanimously recommend that Shareholders vote in favour of Resolution 4. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 4.

RESOLUTION 5: Approval of issue of Conditional Securities

Mr Michael Howard is a former Non-Executive Director of the Company, having resigned from his position as a Director effective 11 March 2015.

At the time of his resignation, Mr Howard was owed a total of \$51,205 in accrued but unpaid Director's fees and the Company entered into an agreement for Mr Howard to receive Shares and attaching Options in lieu of cash for the accrued Director's fees owed to him, subject to obtaining Shareholder approval prior to such issue.

The issue price for the Shares and the exercise price and ratio for the attaching Options were agreed with Mr Howard on the basis that they were the same as the Company's prior securities issue to Barrick (PD) Australia Limited and Jade Triumph International Limited announced to the ASX in December 2014. The issue price for the Shares was also at a 500% premium to the closing price of Coppermoly's Shares on the ASX on the day prior to that agreement.

ASX Listing Rule 10.11 requires that the Company obtain Shareholder approval prior to the issue, or any agreement to issue, Equity Securities to a Related Party of the Company.

As Mr Howard was a Related Party of the Company, by virtue of his position as a Director up to 11 March 2015, Resolution 5 seeks Shareholder approval for the issue of Conditional Securities to Mr Howard in accordance with Listing Rule 10.11.

Additionally, the Corporations Act restricts the Company from giving certain "benefits" to certain persons, including Directors, on their ceasing employment with the Company, in the absence of prior shareholder approval unless an exemption applies.

The term "benefit" is defined broadly in the Corporations Act and, arguably, includes the agreement to issue Shares and Options to Mr Howard in lieu of cash. Accordingly, Resolution 5 also seeks Shareholder approval for the issue of Conditional Securities to Mr Howard in accordance with section 200E of the Corporations Act.

The effect of Resolution 5 will be that, if passed, Mr Howard will receive 1,755,024 Shares issued at \$0.02 per Share and 585,008 attaching unquoted Options (for no additional consideration), which has been calculated by dividing the net consideration amount of \$35,100, which is the net amount owed to Mr Howard after accounting for PAYG withholding obligations by \$0.02.

RESOLUTION 5: Approval of issue of Conditional Securities (continued)

If Resolution 5 is not passed, no Shares or attaching Options will be issued to Mr Howard as part of the agreement between Mr Howard and Coppermoly, and Coppermoly will be required to pay cash of \$35,100 to Mr Howard within 10 business days of the date of this AGM.

Shareholders should be aware that, if approval is given to issue Shares and Options to Mr Howard

under Listing Rule 10.11, approval will not be required under Listing Rule 7.1 and that the number of Shares issued to Mr Howard will not be counted towards the Company's 15% threshold.

For the purposes of Listing Rule 10.13 and section 200E of the Corporations Act, the following information is provided in respect of the Conditional Securities:

<i>Maximum number of securities proposed to be issued</i>	The maximum number of Shares proposed to be issued to Mr Howard is 1,755,024 Shares and 585,008 attaching Options.
<i>Issue Price</i>	The issue price of the Conditional Securities proposed to be issued to Mr Howard is \$0.02 per Share, including one attaching Option for every three Shares for no additional consideration.
<i>Terms of the securities</i>	<p>All the proposed Shares to be issued to Mr Howard will, from their date of issue, rank equally with all other Shares on issue. The Company will apply for these Shares to be quoted on the ASX.</p> <p>The proposed Options to be issued to Mr Howard will be unquoted. Each unquoted Option will be exercisable at any time prior to the fifth business day prior to the date that is 3 years after the date of their issue. The proposed Options will be exercisable into one new Share at an exercise price of \$0.03.</p>
<i>Names of allottees</i>	If Resolution 5 is passed, the Conditional Securities will be issued to Mr Michael Howard.
<i>Explanation and valuation of the termination benefits</i>	<p>As noted above, the agreement to issue the Conditional Securities in lieu of a cash payment is arguably a 'termination benefit' for the purpose of the Corporations Act, the purpose of which was to preserve the Company's cash position.</p> <p>Various matters will or are likely to affect that value of the termination benefits being provided to Mr Howard (i.e. the Shares and Options that are being issued to Mr Howard), including the Company's Share price.</p> <p>For example, as at 13 October 2015, the closing price of the Company's Shares on the ASX was \$0.006 per Share. Accordingly, as at 13 October 2015, the Shares to be issued to Mr Howard were arguably valued at \$10,530.14.</p> <p>The Options are not currently, and will not be, quoted on the ASX and as such have no market value. The Options each grant the holder thereof a right of grant of one ordinary share in the Company upon exercise of the Option and payment of the exercise price of the Option described above. Accordingly, the Options may have a present value at the date of their grant.</p> <p>The Options may acquire future value dependent upon the extent to which the Shares exceed the exercise price of the Options during the term of the Options. As a general proposition, Options to subscribe for ordinary fully paid shares in a company have value. Various factors impact upon the value of options including things such as:</p> <ul style="list-style-type: none"> (a) the period outstanding before the expiry date of the Options; (b) the exercise price of the Options relative to the underlying price or value of the securities into which they may be converted;

RESOLUTION 5: Approval of issue of Conditional Securities (continued)

Explanation and valuation of the termination benefits (continued)	<p>(c) the proportion of the issued capital as expanded consequent upon exercise represented by the shares issued upon exercise (ie whether or not the Shares that might be acquired upon exercise of the Options represent a controlling or other significant interest);</p> <p>(d) the value of the Shares into which the Options may be converted; and</p> <p>(e) whether or not the Options are listed (ie readily capable of being liquidated).</p> <p>However, as the Conditional Securities were agreed to be issued in lieu of the cash amount of \$35,100 owed to Mr Howard at the time of his resignation, the Company considers the appropriate valuation of these benefits to be \$35,100.</p>
Use of funds	The issue of the Conditional Securities will be for the settlement of the amount owed to Mr Howard by the Company for unpaid Director's fees.
Date of issue	The Conditional Securities will be issued within 10 days of obtaining Shareholder approval following the Meeting, and in any event, will be issued no later than 1 month after this Meeting.

RESOLUTION 6: Approval of Additional 10% Share Placement Capacity

ASX Listing Rule 7.1 requires Shareholder approval for an issue of securities in the Company if that issue will, when aggregated with all other issues during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12 month period.

In accordance with Listing Rule 7.1A, eligible entities may seek shareholder approval at their AGM to issue a further 10% of their issued share capital in addition to the 15% capacity set out in ASX Listing Rule 7.1 (**10% Share Placement Capacity**).

An eligible entity for the purpose of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. At the date of this Notice, the Company is an eligible entity.

Any issue of securities under ASX Listing Rule 7.1A:

- (a) must be in the same class as an existing quoted class of the Company's equity securities;
- (b) may be issued at a maximum of 25% discount to the current market price; and
- (c) must be calculated in accordance with the formula prescribed by ASX Listing Rule 7.1A.2.

Resolution 6 seeks Shareholder approval for the Company to have the ability to issue securities under the 10% Share Placement Capacity. The approval of Resolution 6 will provide the Company with even greater flexibility to issue securities in addition to the 15% capacity set out in ASX Listing Rule 7.1 without a further requirement to obtain prior Shareholder approval.

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided for the purpose of obtaining shareholder approval for the 10% Share Placement Capacity:

(a) Minimum price

The minimum price at which securities may be issued under the 10% Share Placement Capacity is 75% of the VWAP of securities in the same class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price of the securities to be issued is agreed; or

RESOLUTION 6: Approval of Additional 10% Share Placement Capacity (continued)

- (ii) if they are not issued within 5 ASX trading days of the date in paragraph (a) (i), the date on which the securities are issued.

(b) Formula for calculating 10% Share Placement Capacity.

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the AGM, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;

(ii) plus the number of partly paid shares that became fully paid in the 12 months;

plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;

(iii) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

As required by the ASX Listing Rules, below is a hypothetical example of the potential dilution of Shareholders of the Company where the full 10% Share Placement Capacity is utilised, on the basis of three different assumed issue prices and numbers of equity securities on issue.

Technical information required by Listing Rule 7.3A

		Dilution when compared with the current issued share capital	Hypothetical issue price of shares issued under the 10% Share Placement Capacity		
			\$0.003 50% decrease in Issue Price	\$0.006 per share	\$0.012 100% increase in Issue Price
Issued share capital	Current issued share capital 383,729,449	10% dilution	38,372,945 shares	38,372,945 shares	38,372,945 shares
		Funds raised	\$115,119	\$230,238	\$460,475
	50% increase in issued share capital 575,594,174	10% dilution	57,559,417 shares	57,559,417 shares	57,559,417 shares
		Funds raised	\$172,678	\$345,357	\$690,713
	100% increase in issued share capital 767,458,898	10% dilution	76,745,890 shares	76,745,890 shares	76,745,890 shares
		Funds raised	\$230,238	\$460,475	\$920,951

Note: the table above has been prepared on the following assumptions:

1. The Issue Price of \$0.006 is based on the closing price of shares on 13 October 2015;
2. The current issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A.2;
3. The Company issues the maximum number of securities available under the 10% Share Placement Capacity;
4. No options are exercised prior to the date of issue of any shares under the 10% Share Placement Capacity;
5. The table shows the effect of issues of the Company's equity securities under the 10% Share Placement Capacity, not under the Company's 15% placement capacity under Listing Rule 7.1; and
6. The table does not show an example of dilution that may occur to any particular Shareholder due to any placements under the 10% Share Placement Capacity.

(c) Potential risk of economic and voting dilution
If this Resolution is approved by Shareholders and securities are issued under the 10% Share Placement Capacity, the interests of existing Shareholders who do not participate in the issue would be diluted.

Shareholders should note that in such circumstances, as with any time in the market, there is a risk that:

(i) the market price for equity securities issued under the 10% Share Placement Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A; and

(ii) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date, which may have an effect on the amount of funds raised by the issue of the equity securities.

(d) Timing of potential issues

If Shareholders approve Resolution 6, securities may be issued under the 10% Share Placement Capacity during the period commencing on the date of the Meeting and ending on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of Shareholder approval for any transaction under Listing Rules 11.1.2 (significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

The approval under Listing Rules 7.1A will cease to be valid in the event that holders of the Company's ordinary securities approve a transaction under Listing Rules 11.1.2 or 11.2.

RESOLUTION 6: Approval of Additional 10% Share Placement Capacity (continued)

(e) Purpose of potential issue

Shares may be issued under the 10% Share Placement Capacity for the following purposes:

- (i) non-cash consideration for the acquisition of new resources assets and other investments. If this occurs, the Company will provide a valuation of the non-cash consideration in accordance with ASX Listing Rule 7.1A.3; or
- (ii) cash consideration. If this occurs, the Company intends to use the funds raised to continue exploration and development of the Company's current assets, cover general working capital requirements and/or, if appropriate, acquire new assets or investments.
